

10 REASONS

Doctors Love eAssist

1 Unmatched expertise
The eAssist platform boasts dental billing specialists with a combined 7,500+ years of experience that know the ins-and-outs of insurance companies and your practice management software.

2 Not a threat
The eAssist platform is here to help your staff, not replace them.

3 Increased collections
The eAssist platform supports the appeal process and consistently works to get 100% of what is rightfully owed on a claim which means reduced denials, adjustments, and write-offs.

4 Restful nights
Sleep better at night with the peace of mind that your over 90-day aging claims are turning into \$\$ in your bank account.

5 Consistency
Administrative staff being out due to illness or vacation does not stop the revenue cycle management.

6 Accountability
The eAssist platform delivers daily, weekly, and monthly practice metric reports for full transparency and accountability.

7 Phenomenal perks
As a valued user of the eAssist platform, you will have access to partnership perks tailored to skyrocket your practice's profitability.

8 Less hiring hassle
Freedom to hire for your office culture, not dental billing experience.

9 Focus on patient care
The eAssist platform handles the skill-based duties so your practice can focus on patient care and the business of dentistry.
