

10 REASONS

DSOs Love eAssist

1 Unmatched expertise

The eAssist platform boasts dental billing specialists with a combined 7,500+ years of experience that know the ins-and-outs of insurance companies and your practice management software.

2 Seamless integration

The eAssist platform integrates into your well-established processes to increase efficiency.

3 Increased revenue

The eAssist platform supports the appeal process and consistently works to get 100% of what is rightfully owed on a claim which means reduced denial write-offs and incorrect adjustments.

4 Return on investment

Using the eAssist platform to outsource your billing department increases cash flow while turning your outstanding AR into money in your bank account.

5 Accountability

The eAssist platform delivers daily, weekly, and monthly practice metric reports for full transparency and accountability.

6 Consistency

Administrative staff being out due to illness or vacation does not stop the revenue cycle management.

7 Phenomenal perks

As a valued user of the eAssist platform, you will have access to partnership perks that are tailored to skyrocket your practice's profitability.

8 Less hiring hassle

No more stress to hire staff with dental billing experience in your area.

9 Focus on what matters most

The eAssist platform handles the skill-based duties so your staff can focus on meeting goals.
